

HEALTH PROFESSIONS COUNCIL

Process for the appointment of additional members of Council if the person elected as President is a registrant

Introduction

Paragraph 6 of Schedule 1 to the Health Professions Order 2001 provide that, where the person appointed as President of the Council is a registrant member, the Privy Council shall appoint an additional Council member from the same profession as the President and an additional lay member.

Process

- If a registrant is appointed as President, the Registrar will write to the Privy Council and the NHS Appointments Commission (which acts on behalf of the Privy Council in this regard) requesting that the Privy Council appoint an additional registrant member and an additional lay member to the Council.
- The Privy Council and NHS Appointments Commission will be requested to appoint both members using a similar and transparent section process which is consistent with that used for other public appointments.
