Council 18th July 2005**

HPC'S STATUTORY RULES

Executive Summary and Recommendations

Introduction

As HPC moves towards the end of its second transitional period on 8th July 2005, we reviewed our statutory Rules in order to identify changes that either needed to be made before that date or which it would be sensible to make, based upon our experience of operating with the existing Rules for nearly two years.

Following an extensive six week consultation period that concluded on 20th May 2005 the HPC (Practice Committees and Registration) (Amendment) Rules Order of Council 2005 were laid before Parliament on 16th June 2005 and will become effective as of 8th July 2005.
