Health Professions Council Council 5th October 2005

AUDIT COMMITTEE MEMBERSHIP

Executive Summary and Recommendations

Introduction

The Finance and Resources Committee at its meeting on 29th July decided to recommend to the Council that members of the Finance and Resources Committee should not be members of the Audit Committee.

The reasoning behind the recommendation was that there needs to be a clear separation between the two Committees.

If the Council agrees with the proposal, then an additional member of the Audit Committee will have to be appointed who is a chartered accountant.

Decision

The Council is asked to agree the following:

- Members of the Finance and Resources Committee should not be members of the Audit Committee.
- That the Standing Orders of the Finance and Resources Committee and Audit Committee are amended accordingly.
- That Council members who are not members of the Finance and Resources Committee are asked to nominate themselves to be members of the Audit Committee.
