Council Membership

Executive Summary and Recommendations

1. Introduction

Schedule 1 6 of the Health Professions Order 2001 states:-

“Where the President is a registrant member, the Privy Council shall in addition to the registrant members appointed under paragraph 1(1)(a) appoint one from the same profession as the President.....”

At the first meeting of the Council following the end of the Second Transitional Period, the Council elected Professor Norma Brook as President. This created the need for the appointment of an additional Physiotherapist Registrant Council Member.

The Council requested that the Privy Council should consider the appointment of the Physiotherapist who received the next largest vote in the Physiotherapist part of the register. The Privy Council Office agreed to this request and the Executive was informed that Dr Robert Jones was appointed as the Physiotherapist Registrant Member on Council as of 18 August 2005. To date no letter of appointment has been received.
