- I. Foreword**
- II. Purpose of HPC**
- III. Principles**
- IV. Standards & Processes**
- V. Strategy**
- VI. Strategic & operational Issues to Resolve**

**Appendix I Organisation**

## I. Foreword

## The HPC is an independent UK statutory regulator of healthcare professionals

- **Health Professions Order 2001**
  - Statutory Instrument (SI) established 1<sup>st</sup> April 2002
  - Rules and guidance support the SI
  - Initial Rules became operational 9<sup>th</sup> July 2003
- **Multi professional regulator**
  - Currently 13 Professions
  - Arts Therapists, Biomedical Scientists, Chiropodists & Podiatrists, Clinical Scientists, Dietitians, Occupational Therapists, Operating Department Practitioners, Orthoptists, Paramedics, Physiotherapists, Prosthetists & Orthotists, Radiographers, Speech & Language Therapists
- **Self financing**
- **Reports to the Privy Council**
  - Body corporate

**The document outlines the Health Professions Council's (HPC) purpose, principles, standards & processes, strategy, issues to be resolved & organisation**

- **Replaces HPC's Strategic Intent documents previously published in 2002, 2004 & 2006**
- **Covers the period July 2007 to 2011**
  - Department of Health plans to review regulation in 2011
- **The document will be revised when there are significant changes to the external or internal environment**

## II. Purpose

**The objective of the HPC is set down in Article 3 (4) of the Health Professions Order 2001**

- ***“To safeguard the health and well-being of persons using or needing the services of registrants***
- **Registrants are the healthcare professionals regulated by the HPC**

### **III. Principles**

## HPC key Stakeholders

- **Carers**
- **Clients:Patients:Users**
- **Consumer Associations**
- **Employers**
- **Government**
- **Higher Education Institutions**
- **Media**
- **Members of the Public**
- **Professional Bodies**
- **Prospective registrants**
- **Registrants**
- **Regulators**
- **Special Interest Pressure Groups**
- **Trade Unions**

## The HPC uses six guiding principles

### 1. Protect the public

- Review & amend legislation, standards, guidance & procedures to ensure their relevance & appropriateness
- Have clear & well publicised complaints & appeals procedures for the public & registrants if dissatisfied with the decisions of the Council & Committees

### 2. Communicate & respond

- Ensure wide stakeholder dialogue
- Seek regular feedback from stakeholders & utilise the information & opinions received

### 3. Work collaboratively

- Collaborate with stakeholders to ensure wherever possible that their needs are met
- Enable best practices in any one profession to be accessed by all

## The HPC operates using six guiding principles, (contd)

### 4. Be Transparent

- Establish fast & accessible procedures
- Undertake thorough consultations

### 5. Provide value for money & audit

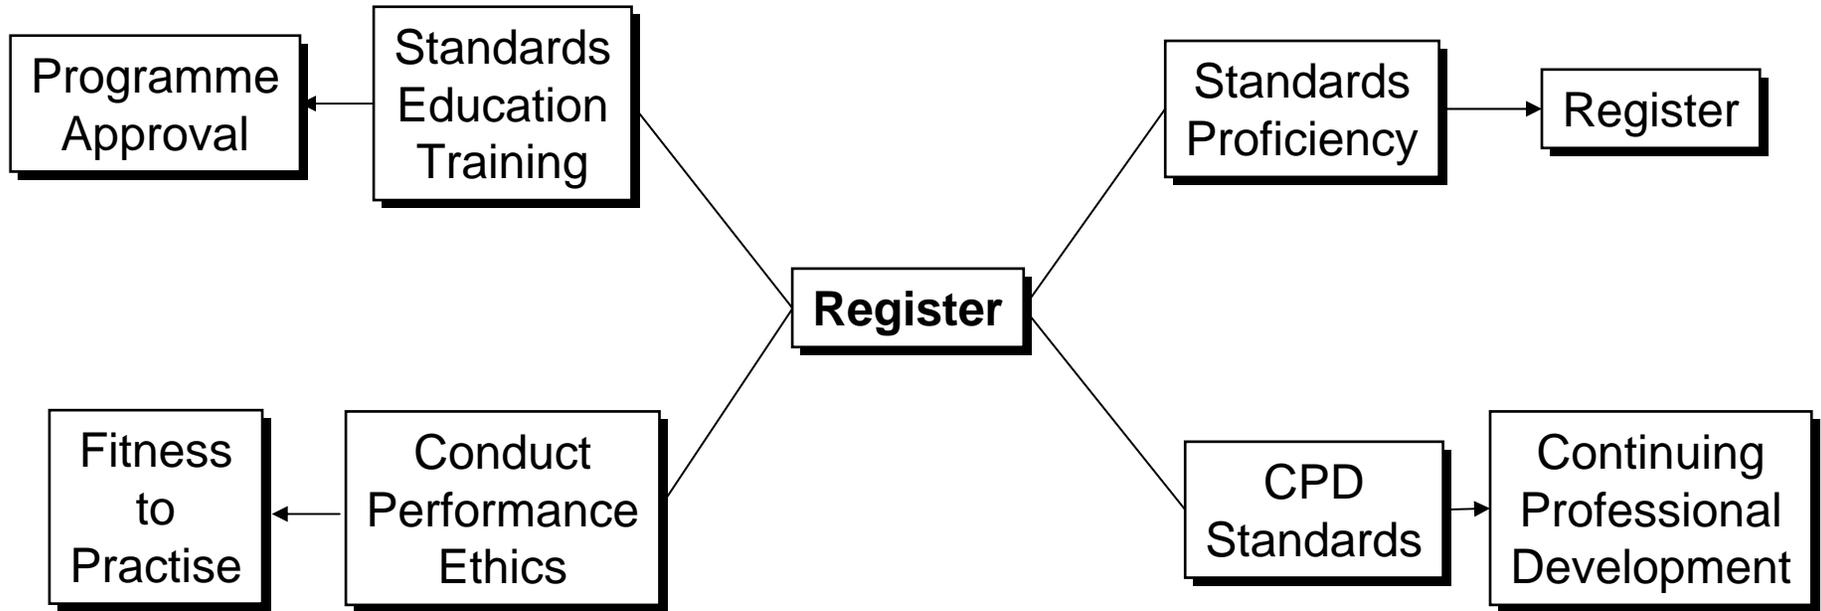

- Invest in systems & procedures to provide a value for money service for registrants & the public
- Be open & proactive in accounting to all stakeholders for the HPC's work

### 6. Deliver a high quality service

- Provide a unified service where issues are common & focus on individual activities which are significantly different between professions
- Support personal training & development of HPC employees as well as registrants

## **IV. Standards & Processes**

## Integrated process of setting & maintaining standards

## The HPC achieves its objective by managing an integrated process of setting standards & operating processes to maintain the standards

- **Standards**

- Four sets of standards
  - ¶ Education & Training
  - ¶ Proficiency
  - ¶ Conduct, Performance & Ethics
  - ¶ Continuing Professional Development (CPD)
- The HPC must consult before establishing standards, rules & guidance
- HPC currently has no powers to undertake revalidation

- **Integrated processes**

- Approval & monitoring of programmes
- Registration
  - ¶ UK, International & Grandparenting
  - ¶ New professions
- Fitness to Practise Tribunals
  - ¶ Protection of title
- CPD assessment

## V. Strategy

## **HPC's Strategy is to continually improve the organisation, influence the regulatory agenda & promote best practises**

- **Improve**
  - HPC's ability to manage increasing demand for its services by redesigning the organisation
  - HPC's Governance via restructuring the Council
  - Fitness to Practise tribunals by instituting new processes
  - Protection of professional titles
  - Public Patient Involvement (PPI) within HPC's processes
  - Speed & quality of the registration & other processes
  
- **Influence Agendas**
  - Education & training
  - Government, including four UK Departments of Health & EU
  - Post registration qualifications
  - Regulation of Assistants
  - Revalidation
  
- **Promote**
  - CPD
  - Benefits of UK wide regulation but incorporating sensitivities to devolution
  - Proactive regulation of Aspirant Groups
  - Value & merit of professional led statutory regulation

## **VI. Strategic & Operational Issues to Resolve**

## **The HPC will actively contribute to the implementation of the recommendations of the White paper *Trust, Assurance and Safety - the Regulation of health professionals in the 21<sup>st</sup> Century***

- **Seven working Groups established to cover a range of issues**
  - Governance
    - ¶ Smaller, strategic & non-elected councils
  - Revalidation
    - ¶ Based on risk, standards, process & cost
  - Refined adjudication process
  - Extending professional regulation & assistants
  - Improving health for health professionals
  
- **Amendments to the Health Act 1999 &/or Section 60 Orders will be required**
  - Spring 2008 earliest date for implementation of new Act
  - Four year rolling plan of new Section 60s

## **Notwithstanding the implementation of the recommendations of the White paper, the HPC will resolve a number of outstanding strategic issues related to the statutory regulation of new professions & Aspirant Groups by 2011**

- **The commencement of the statutory regulation of some Psychologists from Spring 2008**
- **Responsibility for the statutory regulation of Hearing Aid Dispensers following the abolition of the Hearing Aid Council by the Department of Trade and Industry in March 2009**
- **Statutory regulation of a range of healthcare scientists and others including: Physiologists, Perfusionists & Technologists, Medical Illustrators & Dance Movement Therapists post 2009**
- **The statutory regulation of Counsellors & Psychotherapists**
- **The possible statutory regulation of Complementary & Alternative Medicine, (CAM) by 2011**
- **Proactive regulation of Aspirant Groups**
  - To date the HPC has waited for aspirant groups to apply for statutory regulation
  - Establish criteria when the HPC will recommend regulation before application received

## **Notwithstanding the implementation of the recommendation of the White paper, the HPC intends to actively influence the external regulatory agenda**

- **Education**
  - Increase influence
- **Europe**
  - Common platforms
  - Tuning educational structures

## **Notwithstanding the implementation of the recommendation of the White paper, in the next two to three years the HPC intends to resolve the following strategic issues**

- **Post registration qualifications**
- **Professional Indemnity Insurance**
  - Review existing policy
- **Protected titles**
  - Consider increasing number of protected titles for existing statutory regulated professions
- **Registration of Students**
  - Agree position
- **Rules, Standards & Guidance**
  - Revise & update as required

## **Notwithstanding the implementation of the recommendation of the White paper, the HPC will continue to enhance a range of key operational issues through to 2011**

- **Audit systems & procedures**
- **Implement Bichard legislation**
- **Operationalise CPD procedures including profile assessment**
- **Operationalise the Equality & Diversity strategy including data collection & analysis**
- **Analyse the benefits of replacing distributed Grandparenting system with regular partner group meetings**
- **Ensure HPC adopts best counter Identity Theft practises**
- **Embed Public Patient Involvement (PPI) in all appropriate HPC processes**
- **Ensure that HPC continues to provide a Value for Money Service (VFM)**

## Appendix I Organisation

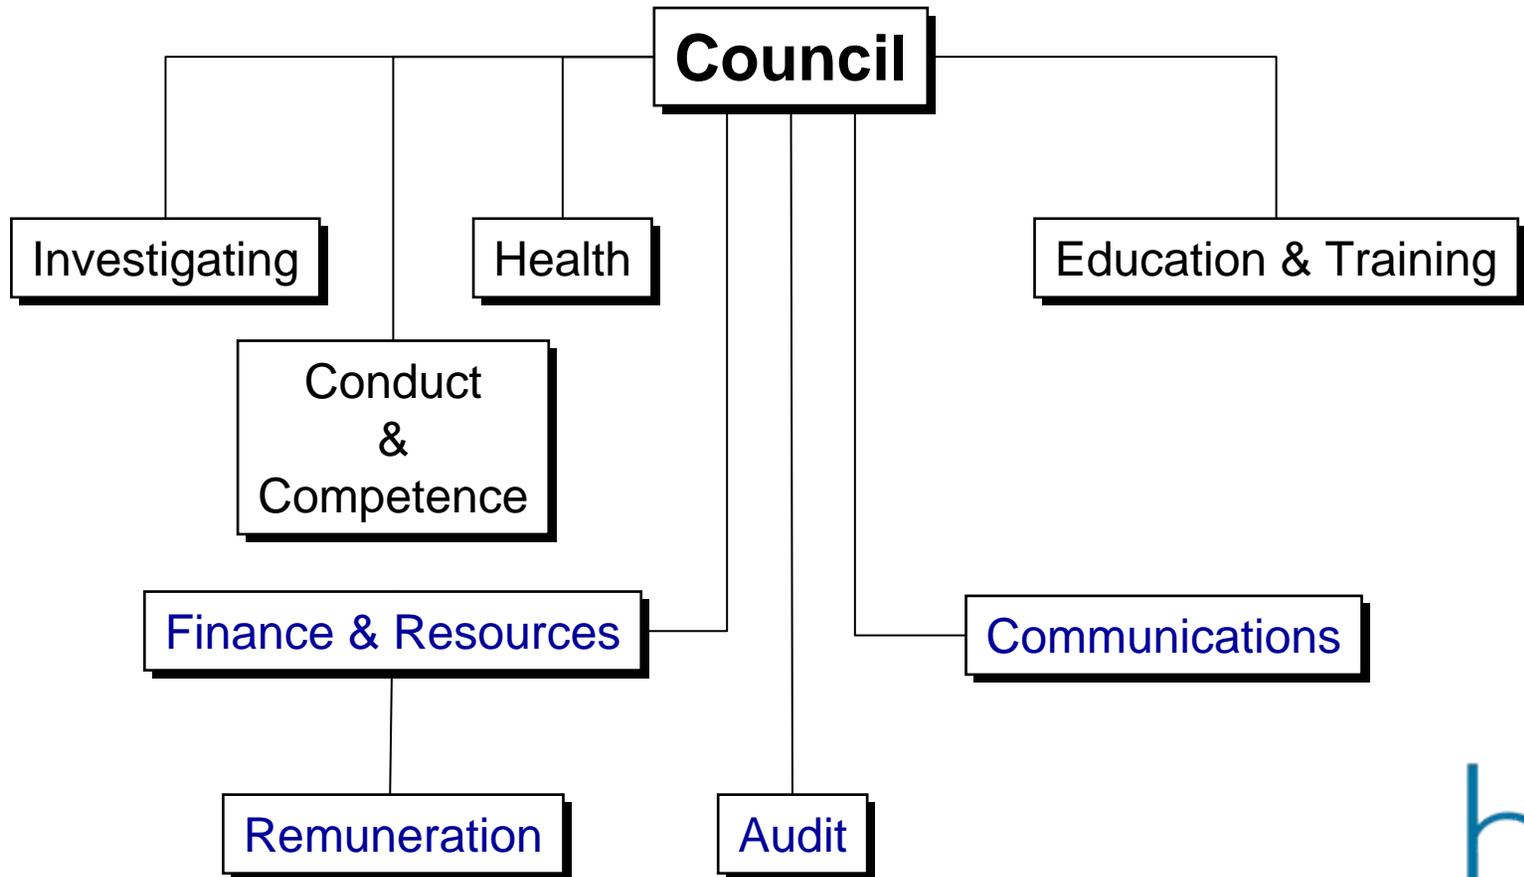

## **The HPC will deliver its strategy via the Council, the Committees & the Executive**

- **Council**
- **Statutory Committees**
- **Non-Statutory committees**
- **Executive**
- **Partners**
- **Professional Liaison Groups (PLGs)**

## **The Council is responsible for ensuring that the functions as set down in the Health Professions Order (HPO) are delivered**

- **Develops & is responsible for HPC's strategy & policy**
- **Sets certain standards & keeps them under review**
  - Standards of Conduct, Performance & Ethics
  - Standards of Proficiency
  - Standards of CPD
  - Requirements of registrants good health & character
- **Sets service standards**
- **Monitors progress against targets**
- **Maintains the financial well being of the HPC**
- **Ensures good corporate governance**
- **Works in partnership with the Executive via a Scheme of Delegation**

## The Council has Statutory & Non-Statutory Committees

## There are three Fitness to Practise Committees

- **Investigating Committee**
- **Conduct & Competence Committee**
- **Health Committee**
  
- **Advice to Council**
  - The Conduct & Competence Committee advises the Council on its performance in relation to Standards of Conduct Performance & Ethics
  - Requirements of good health & character
  
- **Report**
  - On behalf of the Council drafts a report on the fitness to practise process, HPO Article 44

## The functions of the Education & Training Committee

- **Education & Training Committee**
  - Sets and monitors the Standards of Education & Training
  - Advises the Council on the Standards of Proficiency
- **Responsible for developing & monitoring the Council's education strategy**
- **Reports**
  - Will provide feedback to educators via an annual report on the Approvals & monitoring process
  - Will publish a report on the CPD process
- **Home country different systems**

## The HPC has established three Non-Statutory Committees which report directly to the Council

- **Finance & Resources Committee**
  - Responsible for developing & monitoring the Council's
    - ¶ Annual budget
    - ¶ Financial investment strategy
    - ¶ Five year financial plan
    - ¶ Human Resources strategy
    - ¶ Operations strategy
    - ¶ IT strategy
    - ¶ Risk mitigation strategy
  
- **Remuneration Committee**
  
- **Audit Committee**
  - Responsible for overseeing the role of the external & internal auditors

## The Health Professions Order requires the HPC to inform & educate registrants & inform the public about its work

- **Communications Committee**
  - Non-statutory committee
  - Responsible for developing & monitoring the Council’s communications strategy
  - Ensures equitable access to all publications
  - Oversees HPC’s Patient/Public Involvement (PPI) strategy
- **HPC uses a range of communications techniques to raise awareness amongst its stakeholders**
  - “Listening Events”
  - Publication of brochures & leaflets
  - HPC web site
    - ¶ [www.hpc-uk.org](http://www.hpc-uk.org)
    - ¶ Micro site [www.hpCheck.org](http://www.hpCheck.org)
  - Electronic news letter
  - Market research

## The Executive is responsible for a range of tasks

- **Responsible for day-to-day operations of the HPC**
- **Implements the Strategic Intent & annual plan**
- **Maintains service quality**
  - Documents processes
  - ISO 9001/2000
  - Customer service strategy
  - Plain English
- **Organisational growth**
  - Match the capacity of the organisation to demand
  - Invest in systems to build capacity
  - Increase resources both financial, systems & employees, to maintain & increase service

## The Executive works with Partners & uses Professional Liaison Groups

- **Partners**
- **Professional Liaison groups, (PLGs)**
