Item 2.16/02 Apologies for absence

- 2.1 There were no apologies received.

Item 3.16/03 Approval of Agenda

- 3.1 The Council approved the agenda.

Item 4.16/04 Declaration of Members' interests

- 4.1 Nicola Wood declared an interest as a non-executive Director of the Board of the Information Commissioner's Office.

Item 5.16/05 Minutes of the Council meeting of 10 and 11 February 2016

- 5.1 The Council considered the minutes of the 103rd meeting of the Health and Care Professions Council.
- 5.2 The Council agreed the minutes.

Item 6.16/06 Matters arising

- 6.1 The Council noted those matters arising from the meetings held on 10 and 11 February 2016.
- 6.2 The Council agreed that an action to obtain legal advice with regards to the mediation pilot should be added to the matters arising.
- 6.2 The Council noted the report.

Item 7.16/07 Chair's report

- 7.1 The Council received a report from the Chair.
- 7.2 During discussion, the following points were made:-

- the Council of Deans of Health have been helpful in promoting HCPC consultations and the meeting on 16 February with Prof Dame Jessica Corner, Chair, and Lizzie Jelfs, Director, helped to continue this positive relationship;
- the meeting of 15 February with Hazel Winning Lead AHP and Peter McAuley AHP Deputy Principal was a good opportunity to share intelligence; and
- the meeting of 14 March with the Institute of Biomedical Science did not take place and has been rescheduled.

7.3 The Council discussed the format of the Chair's report. It was agreed that the report should have a narrative accompaniment which picked up themes and current topics, and that an indication of who had initiated a meeting would increase transparency.

7.4 The Council noted the report.

Item 8.16/08 Chief Executive's report

8.1 The Council received a report from the Chief Executive.

8.2 During discussion, the following points were made:-

- the meeting with Dame Eileen Sills, the National Guardian (Freedom to speak up) on 8 February was to discuss plans to create a guardian for whistleblowing in each trust. Dame Eileen has since resigned her post;
- a Memorandum of Understanding (MOU) was signed with the Regulation and Quality Improvement Authority (RQIA), Belfast on 15 February;
- attendance at a meeting on the European Professional Card on 18 March confirmed that the alert system is up and running;
- meetings with the Guardian and Community Care were held to discuss social work regulation; and
- it is expected that the Queen's speech will take place on 18 May.

8.2 The Council noted the report.

Item 9. 16/09 New Regulatory body for social work

9.2 The Council were updated on developments following the announcement on 14 January 2016 by Rt. Hon. Nicky Morgan MP, Secretary of State for Education that a "new regulatory body for social work" would be setup.

9.3 During discussion, the following points were made:-

- The Council reaffirmed its commitment to the statutory regulation of social workers in England and noted that it would remain the regulator of social workers in England until a new regulator opened its register.
- When concerns are raised by the HCPC's stakeholders concerning the quality of an education programme or the competencies of any registrant, the Executive should continue to seek to identify the organisation or individual and take appropriate action;
- It was agreed that if proposals to create a new regulator for social workers in England were included in the Queen's speech, the HCPC would proactively and robustly communicate its track record and the benefits of multi-profession regulation. A statement would be prepared and shared with Council ahead of release; and
- the HCPC will continue to provide effective and efficient regulation for all the professions on the register. In addition, the HCPC would continue to work with all its stakeholders to develop innovative approaches to regulation.

Item 10.i. 16/10 Month 11 management accounts

10.i.1 The Council received a paper from the Executive.

10.i.2 The Council noted the paper.

Item 10.ii. 16/11 Budget for 2016 – 2017

10.ii.1 The Council received a paper from the Executive.

10.ii.2 The Council noted the proposed budget for the year ending 31 March 2017 including the process for development of the budget, the income and expenditure, the capital expenditure, the cash flow and balance sheet and the reserves policy. The budget should be reviewed alongside departmental workplans which set out the objectives and priorities for each department, and the required resources.

10.ii.3 During discussion, the following points were made:-

- the overall position is a budgeted deficit for 2016-17 of £298k, which is less than the deficit previously indicated for 2016-17 in the Five Year Plan. The budget and the month 9 forecast for 2015-16 indicated a deficit for 2015-16, but due to stronger than expected income and progress on key projects, the actual result for 2015-16 is now likely to be a small surplus;

- the deficit in 2016-17 is expected to be followed by a surplus in each of the next three years, as the full effect of the registrant fee increase comes through;
- unlike some other public bodies, HCPC is not required to set a balanced budget every year. Council can reasonably approve a deficit budget for a given year if they are satisfied that over the longer term, HCPC's finances are sustainable;
- the budget includes the full year effect of the PSA levy and the costs of 405 Kennington Road;
- investment income is not included in the budget, this provides a form of contingency;
- budgets for Major Projects are inherently uncertain, and include a 15% contingency, and so are more likely to be overstated than understated; and
- the government's announcement that it intends to transfer regulation of Social Workers in England to a new body has not been taken into account in the budget because the government has not yet provided detail of its proposals.

10.ii.4 The Council discussed expenditure on projects. It was noted that EMT have regular project prioritisation discussions to ensure the right projects are progressed and that the main factor limiting the number of projects that can be run simultaneously is internal resource capacity.

10.ii.5 In response to a question it was noted that the HCPC does not currently have income streams outside of the registration fee. It was agreed that the Executive would look at this possibility.

10.ii.6 The Council agreed that the budget line of £5k for art should be removed from the budget.

10.ii.7 The Council agreed that the Remuneration Committee minutes would be considered by Council before the budget in 2017.

10.ii.8 The Council approved the budget for the year ending 31 March 2017 subject to the amendment agreed in paragraph 10.ii.6.

Item 10.iii. 16/12 Finance Department Workplan 2016 – 2017

10.iii.1 The Council received a workplan for 2016-2017 for the Finance department.

10.iii.2 The Council noted the planned activities for 2016-2017 which included ongoing operational processes, the implementation of the new procurement

policy and procedures, the development of the Five Year Plan model and delivering the PCI DSS project.

10.iii.3 The Council noted that the posts of Head of Financial Accounting and Finance and Procurement Officer had been filled. Recruitment for the Finance Business Partner post has not been successful and discussions were taking place about alternative ways to fulfil this role.

10.iii.4 The Council noted the Finance workplan for 2016-2017.

Item 11. 16/13 Outcome of the consultation on revised Guidance on conduct and ethics for students

11.1 The Council received a paper from the Executive.

11.2 The Council noted that the revised standards of conduct, performance and ethics (SCPE) for registrants were published in January 2016. As a result of changes to these standards, the Guidance on conduct and ethics for students (the guidance) has been amended to ensure that it continues to be fit for purpose.

11.3 During the discussion the following points were made:-

- the HCPC publicly consulted on the revised draft guidance between 19 October 2015 and 29 January 2016;
- feedback received on the revised guidance has been largely supportive; and
- the Education and Training Committee had considered and recommended to Council the draft guidance at their meeting on 3 March 2016.

11.4 The Council agreed the revised draft Guidance on conduct and ethics for students and the text of the consultation response analysis document (subject to minor editing amendments and formal legal scrutiny).

Item 12. 16/14 Outcome of the consultation on proposed amendments to the Registration and Fees and Practice Committee Rules

12.1 The Council received a paper from the Executive.

12.2 During the discussion the following points were noted :-

- as part of the Registration transformation and improvement project, amendments to the Registration and Fees Rules were consulted on between 5 October 2015 and 15 January 2016; and

- at their meeting of 3 March 2016, the Education and Training Committee agreed to recommend the amended rules and consultation document to Council for approval.

12.3 The Council agreed :-

- to make the Rules in Appendix 1 by applying the Council seal; and
- the text of the consultation responses document (subject to minor editing amendments).

Item 13. 16/15 Education Department Workplan 2016 – 2017

- 13.1 The Council received a workplan for 2016-2017 for the Education department.
- 13.2 The Council noted the planned activities for 2016-2017 which include regulatory operations, policy and process development, review of monitoring approach, launching an internal quality compliance and assurance framework and preparing and launching the approval process for programmes for orthoptists to use exemptions within medicines legislation.
- 13.3 In response to a question it was noted that resources can be redeployed if numbers exceeded the forecast as occurred last year.
- 13.4 The Council noted the Education workplan for 2016-2017.

Item 14. 16/16 Communications Department Workplan 2016 -2017

- 14.1 The Council received a workplan for 2016-2017 for the Communications department.
- 14.2 The Council noted the planned activities for 2016-2017 which include the implementation of public facing information campaigns including Be Sure and raising awareness of chiropody and podiatry protected titles, the all employee survey and subsequent action plan and communications work to raise awareness of the revised standards of conduct, performance and ethics
- 14.3 The Council discussed the ‘be sure’ campaign. It was noted that the campaign is focused on older female service users and their carers as market research has shown this group is a high user of HCPC professions.
- 14.4 The Council agreed that the stakeholder matrix and mapping documents should be included as a mitigation to the risk 3.2, loss of stakeholder support.
- 14.5 The Council noted the Communications workplan for 2016-2017.

Item 15. 16/17 Information Technology Department Workplan 2016 - 2017

- 15.1 The Council received a workplan for 2016-2017 for the Information Technology department.
- 15.2 The Council noted the planned activities for 2016-2017 which include the provision of twenty IT services and supporting the delivery of nine major projects and 22 departmental projects
- 15.3 The Council discussed sharing IT projects with other regulators. It was noted that the HCPC has used the experiences of other regulators when introducing new technology for example the Council iPads. However for major systems, legislation and therefore requirements differ too much to enable a 'one size fits all' solution.
- 15.4 The Council noted the Information Technology workplan for 2016-2017.

Item 16.16/18 Secretariat Department Workplan 2016 – 2017

- 16.1 The Council received a workplan for 2016-2017 for the Secretariat department.
- 16.2 The Council noted the planned activities for 2016-2017 which included an organisation-wide review of the implementation of the Data Protection and Freedom of Information Acts.
- 16.3 The Council noted the Secretariat workplan for 2016-2017.

Item 17.16/19 Remuneration Committee Minutes of 10 March 2016

- 17.1 The Council considered the public minutes of the 18th meeting of the Remuneration Committee.
- 17.2 The Council agreed the minutes.

Item 18. 16/20 Any other business

- 18.1 There were no additional items for consideration.

Public Agenda – Part 2

Item 1.16/25 Chair's welcome and introduction

- 1.1. The Chair welcomed Council members and those seated in the public gallery to the 104th meeting of Council.

Item 2.16/26 Apologies for absence

- 2.1 Apologies for absence were received from Robert Templeton

Item 3.16/27 Approval of Agenda

- 3.1 The Council approved the agenda.

Item 4.16/28 Declaration of Members' interests

- 4.1 Nicola Wood declared an interest as a non-executive Director of the Board of the Information Commissioner's Office.

Item 5.i. 16/29 Consultation on revised Standards of Proficiency for Social Workers in England

- 5.i.1 The Council received a paper from the Executive.
- 5.i.2 The Council noted that at its meeting on 4 June 2015, the Education and Training Committee agreed a workplan for a review of the standards of proficiency for social workers in England. The Executive undertook a number of activities including surveys of stakeholders and a workshop, which took place in January 2016.
- 5.i.3 During the discussion the following points were made:-
 - The Education and Training Committee agreed to approve the draft revised standards and consultation document to Council for approval at its meeting of 3 March 2016;
 - the review is part of a cyclical review of all profession specific standards and was part way through when the announcement on social worker regulation was made in January 2016;
 - initial feedback has indicated that most stakeholders consider that the existing standards are robust, with only minor amendments required;
 - the registrant social worker Council member provided input into the review;

- the consultation will run between 1 April 2016 and 24 June 2016. The Committee and the Council will be invited to approve the final standards in September 2016; and
 - feedback which is relevant to all professions is used in future reviews for other professions.
- 5.i.4 The Council discussed the stakeholder groups invited to take part in the consultation. It was agreed that the consultation should be highlighted as a constructive way for those who feel the standards are not currently robust enough to effect change through participation.
- 5.i.5 The Council discussed communications activities to promote the consultation. It was agreed that key messages to be conveyed were :-
- the review is cyclical and is not a reaction to the announcement on social work regulation;
 - the HCPC remains the regulator of social workers in England until legislation is enacted; and
 - the benefits of multi-profession regulation.
- 5.i.6 The Council agreed the text of the consultation document and the draft revised standards for consultation.

Item 5.ii..16/30 HCPC Research Strategy

- 5.ii.1 The Council received a paper from the Executive.
- 5.ii.2 The Council noted that, at its away day in October 2015, the Council received a presentation on the research programme to date and requested that the Executive revise the research strategy and bring it to a future meeting.
- 5.ii.3 During the discussion the following points were made:-
- in 2009, the HCPC published its first research strategy. This set out the case for increasing the volume of commissioned research and identified some priority areas;
 - the strategy is designed to support the Strategic intent for 2016-2020 agreed by the Council at its meeting in December 2015;
 - objective 2 'to build internal capacity to manage effectively the delivery of research' will be partly achieved through external training, however identifying an appropriate provider has been challenging as

most courses focus on research delivery rather than management. Shadowing is currently in place with a Policy Officer;

- the ability to undertake research in house is desirable but access to peer review journals limits this ability
- lessons learnt from previous research projects include more focus in research briefs and more interrogation of research teams
- the use of 'perceptions' should be changed to 'views' as this was more empowered. Similarly 'experience' was preferable to the use of 'anecdotally'

5.ii.4 The Council discussed objective 3 on dissemination of research findings. It was noted that access to peer review journals was a challenge for the HCPC. Council members agreed that they would offer assistance and guidance from their own experience where possible.

5.ii.5 The Council discussed how success is measured for research projects. It was agreed that this was not for inclusion in the research strategy.

5.ii.6 The Council agreed the research strategy document subject to the amendments set out in paragraph 5.ii.3.

Item 5.iii.16/31 Policy and Standards Department Workplan 2016-2017

5.iii.1 The Council received a workplan for 2016-2017 for the Policy and Standards department.

5.iii.2 The Council noted the planned activities for 2016-2017 which include a review of the standards of proficiency for social workers in England and the standards of education and training and the extension of prescribing and medicines exemptions.

5.iii.3 The Council discussed the planned review of guidance on confidentiality. It was agreed that this was an important piece of work and as such should be listed separately within the workplan.

5.iii.4 The Council noted the Policy and Standards workplan for 2016-2017.

Item 6.16/32 Fitness to Practise Department Workplan 2016 -2017

6.1 The Council received a workplan for 2016-2017 for the Fitness to Practise department.

6.2 The Council noted the planned activities for 2016-2017 which include a review of the functions and operations of the directorate, independence of

HCPC's adjudication function and activity in relation to the regulation of social workers in England.

- 6.3 The Council discussed the planned work on independence in adjudication. It was noted that a paper on this proposal would be brought to Council in July 2016.
- 6.4 The Council noted the Fitness to Practice workplan for 2016-2017.

Item 7. 16/33 Operations Departmental Workplan 2016 – 2017

- 7.1 The Council received a workplan for 2016-2017 for the Operations department.
- 7.2 The Council noted the planned activities for 2016-2017 which include the ongoing registrations project, the internal renovation of 186 Kennington Park Road and the transition to ISO9001:2015.
- 7.3 The Council discussed the definition of a customer service failure at the HCPC as defined in the risk register. It was noted that EMT have sight of all complaints made and review these on a monthly basis for trends and process improvement.
- 7.4 The Council discussed the internal renovation of 186 Kennington Park Road in light of the recent announcement on social work regulation in England. It was noted the renovations were driven by a need to improve working areas for example allowing teams to sit together.
- 7.5 The Council noted the Operations workplan for 2016-2017.

Item 8.i. 16/34 Human Resources and Partner Department Workplan 2016 -2017

- 8.i.1 The Council received a workplan for 2016-2017 for the Human Resources and Partner department.
- 8.i.2 The Council noted the planned activities for 2016-2017 which include the completion of the HR and Partners system project, roll-out of a new organisational-wide e-learning system and running an estimated 90 recruitment campaigns.
- 8.i.3 The Council discussed risk 11.7 'employee and ex-employee litigation'. It was agreed that a key mitigation for this risk is line manager training.
- 8.i.4 The Council noted the Human Resources and Partners workplan for 2016-2017.

Item 8.ii. 16/35 Council Reappointment Panel

- 8.ii.1 The Council received a paper from the Executive.
- 8.ii.2 The Council noted that the terms of office of four current Council members will come to an end in December 2016. Two of these members are eligible to be reappointed for a further term.
- 8.ii.3 During the discussion the following points were made:-
- the terms of office of the current Chairs of the Education and Training and Audit Committees would come to an end in December 2016. It was agreed that the Committees needed to give consideration to succession planning;
 - ideally one of the new Council members to be recruited to replace the outgoing members should be a qualified accountant;.
 - it is good practice to inform applicants if they will be subject to an internet search; and
 - fitness to practise checks for registrant applicants were discussed. It was agreed that shortlisted lay applicants should be checked for fitness to practise issues with any regulator they are registered with.
- 8.ii.4 The Council approved the composition of the reappointments panel and the revised process document. The Council noted that a further paper would be presented in July.

Item 9. 16/36 Chief Executive's Summary of key issues

- 9.1 The Council noted the following points:-
- the uncertainty surrounding the regulation of social workers in England poses a challenge which may not be resolved in the near future;
 - the HCPC's financial position is healthy and efficiency savings from continuous improvement work make the HCPC the lowest cost regulator; and
 - presenting the departmental workplans alongside the budget enables the Council to see how they interact, along with the risk register and the strategic intent.
- 9.2 The Council discussed how the HCPC's achievements are communicated. It was noted that in 2016-17, the Communications department would be developing a brief guide to the HCPC which would then be updated annually.

The Council requested that a brief key messages document be provided to Council members.

- 9.3 In response to a question it was noted that developing a unit cost for an individual fitness to practise case was difficult because a typical case does not exist. Some comparison work had been undertaken with the aim of understanding if costs varied depending on the profession, this showed that costs were comparable. It was agreed that the Executive would explore the possibility of developing a unit cost again and report back to Council on its conclusions.

Item 10. 16/37 Standing Orders for Committees – Remunerations Committee

- 10.1 The Council received a paper from the Executive.
- 10.2 The Council noted that, at its meeting of 10 March 2016, the Remuneration Committee discussed its Standing Orders as set out in the Standing Orders for Committees. The Committee agreed that some minor amendments were required and that the Council should review the Standing Orders.
- 10.3 The Council agreed that the composition of the Remunerations Committee should be changed to the Chair plus three members with a quorum of any three members.
- 10.4 The Council agreed the new standing order 12.3 which enables the Remunerations Committee to agree its minutes by correspondence.
- 10.5 The Council noted that expressions of interest will be sought for a lay vacancy on the Education and Training Committee and for two members of the Remuneration Committee, one to join in January 2017.
- 10.6 The Council agreed to adopt the draft Standing Orders of Committees as set out in the paper and revoke the existing Standing Orders of Committees.

Item 11. 16/38 Minutes of the Audit Committee of 26 November 2015

- 11.1 The Council considered the minutes of the 52nd meeting of the Audit Committee.
- 11.2 The Council noted the minutes.

Item 12. 16/39 Minutes of the Audit Committee of 16 March 2016

- 12.1 The Council considered the minutes of the 53rd meeting of the Audit Committee.
- 12.2 The Council noted the minutes.

Item 13. 16/40 Minutes of the Education and Training Committee of 19 November 2015

- 13.1 The Council considered the minutes of the 68th meeting of the Education and Training Committee.
- 13.2 The Council noted the minutes.

Item 14. 16/41 Minutes of the Education and Training Committee of 3 March

- 14.1 The Council considered the minutes of the 69th meeting of the Education and Training Committee.
- 14.2 The Council noted the minutes

Item 15.16/42 Any other business

- 15.1 There were no additional items for consideration.

Item 16.16/43 Meeting evaluation

- 16.1 The following points were noted:-
- the Council needs to make clear decisions and communicate these to the Executive;
 - discussion should be focused on the agenda item. Other matters can be discussed in any other business or the meeting evaluation;
 - care needed to be taken when discussing sensitive matters, the option to move a discussion into private session was available;
 - the public meeting papers for all committees would be uploaded to all Council members iPads. Individual Committees would decide at each meeting if the private papers were suitable for distribution; and
 - a glossary of acronyms would be useful.

Item 17. 16/44 Date and time of next meeting:

Thursday 19 May 2016 at 2pm and Friday 20 May 2016 at 10am at Park House, 184 Kennington Park Road, London SE11 4BU.

Item 18. 16/45 Resolution

The Council is invited to adopt the following:

'The Council hereby resolves that the remainder of the meeting shall be held in private, because the matters being discussed relate to the following:

Item	Reason for Exclusion
19	a

- (a) information relating to a registrant, former registrant or application for registration;
- (b) information relating to an employee or office holder, former employee or applicant for any post or office;
