

Public Matters Arising

The actions as agreed at the previous public meetings of the Council are set out below. The Council is requested to note the responses to the actions.

Action no	Date of meeting	Agenda item	Action	Lead	Date due	Response
20	30 January 2025	Chief Executive's Performance Report	Feedback on engagement with the sexual safety hub would be incorporated into the refreshed media dashboard in future Chief Executive reports.	Executive Director of Corporate Affairs	25/09/2025	A refreshed media dashboard will be included in the Chief Executive's report submitted to the September Council meeting.
23	27 March 2025	Public inquiries summary	The Executive would confirm the frequency of future updates on public inquiries to be submitted to the Council.	Deputy Chief Executive and Executive Director of Education, Registration and Regulatory Standards		The Council will receive real time updates on inquiries as part of the Chief Executive's Performance Report or as specific agenda items if required, for example if the HCPC was the primary subject of an inquiry. The executive will also ensure that the learning from inquiries informs the development of our policies and procedures and this will be highlighted to the Council when bringing any changes to policy to the Council for discussion or approval. We do not propose to set a reporting frequency (for example, every year) but the executive are happy to bring an update to Council, if required, through the Council agenda setting process.
