

## Education and Training Committee – 10 March 2011

### Withdrawal of approval from historic programmes

#### Executive summary and recommendations

##### **Introduction**

As a result of the completion of the definitive list of approved programmes, the Education Department holds a list of approved programmes that are recorded as “closed”. These programmes either have no students, or have students but are no longer recruiting additional cohorts.

As all of these programmes still carry approved status the risk exists that an education provider may re-establish a training programme as leading to eligibility to register with the Health Professions Council.

This paper is asking the Education and Training Committee to consider the content of:

- appendix 1 which shows those education providers who have, after initial communication, provided consent for withdrawal of approval.
- appendix 2 which shows those education providers who have after initial communication and a reminder having been sent, have failed to provide consent for withdrawal of approval.

All correspondence relating to the provision of consent or not has been checked and confirmed by the executive.

##### **Decision**

The Committee is asked to **agree** the following:

- that the programmes listed in appendix 1, which have submitted their consent, have their ongoing approval status withdrawn.
- that the programmes listed in appendix 2, which have not submitted their consent, receive notice of the Committee’s intent to withdraw approval.

##### **Background information**

“Withdrawal of approval from historic programmes”, Education and Training Committee, September 2007

**Resource implications**

Staff time to organise mailing and collate responses (included in department work plan and budget)

**Financial implications**

None

**Appendices**

Appendix 1 – programmes for which consent for withdrawal of ongoing approval has been provided

Appendix 2 – programmes for which consent for withdrawal of ongoing approval has not been provided

**Date of paper**

25 February 2011

**Appendix 1 - List of programmes where the education provider has consented for approval to the programme be withdrawn**

Education Provider	Validating Body	Title of programme	Mode of Study
Anglia Ruskin University	Anglia Ruskin University	Bsc (Hons) Radiography (Diagnostic Imaging)	Part time
Bangor University	University of Wales	Dip HE Operating Department Practice	Full time
Bangor University	University of Wales	Pg Dip Occupational Therapy	Full time accelerated
Bangor University	University of Wales	BSc (Hons) Diagnostic Radiography and Imaging	Full time
Central School of Speech and Drama	Central School of Speech and Drama	BSc (Hons) Clinical Communication Sciences	Full time
