<b>Date of decision</b>	30 January 2019

**Panel:** Stephen Wordsworth (Chair) Sonya Lam  
Luke Jenkinson Joanna Mussen

<b>Decision</b>
<p>That the programme, which was previously recommended for approval subject to conditions, should be approved, as the conditions have been met.</p> <p>However, the Panel required that a visit take place following one internal monitoring cycle. It was expected that this would be Spring 2020. Whilst this visit should pay particular focus on the measures put in place to meet the conditions, all standards should be considered.</p>
<b>Reasons</b>
<p>The visitors are now satisfied that the conditions in the visitors' report have been met and the programme therefore meets the standards of education and training.</p> <p>However, given the provider's difficulty in achieving the conditions, the Panel require assurance that measures put into place to meet the conditions are effective in practice. The Panel did not feel that the normal monitoring cycle, being two years until a monitoring submission would be made by the programme, was suitable in this case.</p> <p>The Panel agreed that, given the challenges encountered in making documentary submissions of evidence, it would be more efficient for the education provider and the HCPC to conduct a visit.</p>
