Partner Re-appointments Process

Meetings are being held with the Directors of HPC’s Education, International and Fitness to Practise departments, to determine the re-appointment process for Partners. A total of 296 contracts will expire in 2006, between the months of May and September. A processes will be implemented to match Partner numbers to forecast business needs. The proposed re-appointments process will be presented to March Council for approval.

Contracts

As a number of Council Members and Partners have requested that the HPC pay their employer direct, Kingsley Napley have been instructed to draft agreements to reflect this (i.e. agreement for fees between the HPC and employers). They will also amend the existing Partner and Non-Council Committee Member contracts to deal with fee payment as above, where appropriate.
