Partner Conference 2006

The Health Minister of Scotland, Andy Kerr is now unable to attend the Partner Conference. However, Lewis Macdonald, Deputy Minister for Health and Community Care, has now confirmed that he can attend the Partner Conference in replacement for Andy Kerr. The second key note speaker is Julia Stone from the CHRE.

Each department that is taking part in the conference has submitted a brief outline of their break out session. This information has been placed on the Partners’ Conference invitations. All break out session presentations have been submitted by each individual department. These presentations will be placed in the Partner Conference packs. Furthermore, those Partners who have indicated that they are not able to attend the Partner Conference will be sent out a Conference pack after the event.
