

Practitioner Psychologists

Interviews for Panel Members are being held on six days throughout June and some have already occurred. In July and August, interviews for Registration Assessors and Visitors are occurring. All recruitment will be finished by the end of August and the department heads will then be able to make an assessment based on numbers as to whether re-advertising is required if the seventy one anticipated partner roles are not filled in this recruitment drive.

Current Recruitment - Visitors

Following advertising for a number of different modalities of Visitors in April and May, several days of interviews are occurring throughout June, with the interview panel of Abigail Creighton, Head of Education, and Carol Lloyd, Council Member.

These are to fill vacancies caused by resignations or business need and are for OT Clinicians, Operating Departmental Practitioners, Dieticians, Prosthesisists and Orthoptists, Paramedics, Diagnostic Radiographers and Biomedical Scientists.

Training – New CPD Assessors

On 28 May 2008 training was held for Chiroprapist CPD Assessors. The training was conducted by Mark Potter and was the first training for CPD Assessors undertaken.

On 24 June, there will be a further training day for the Operating Departmental Practitioner CPD Assessors.

Training – New Visitors

On 8 and 9 July 2008 training will be conducted by Abigail Creighton for newly appointed visitors. Numbers are being finalised at this stage but are anticipated to be approximately twenty.

Training – Refresher Visitor Training

Dates have been allocated for refresher Visitor training in September and October 2008. This will occur over three separate times (3 and 4 September, then a second group will receive their training on 16 and 17 September, and the final third group on 8 and 9 October). It is anticipated at this stage that approximately seventy partners will attend in total however attendees have one more week to confirm their availability.

Training – Refresher Panel Chair and Legal Assessors

Refresher training has been scheduled for 27 June 2008. We have all thirteen panel chairs who were invited attending, and nine legal assessors attending.

Training – New Panel Members

In the Fitness to Practise area there will also be new panel member training in the upcoming months. This will occur on 31 July 2008 and 1 August 2008 and eleven participants are attending.

General

The new Partner Manager will be instigating a number of improvements, the first of which will be meeting with the department heads over the next two month period to formulate a draft training partner plan for 2008/2009. This will enable department to better forecast their partner recruitment and work planning around the training dates and provide partners with more notice of training dates.

NB the volumes for panel members, visitors, registration assessors and CPD assessors include some partners performing several roles
