
Review of standing orders

Executive Summary

Each of the Council's committees should review its standing orders regularly to ensure that these remain appropriate and dynamic in response to any changes within the organisation or to the environment in which the HCPC is operating. It is good practice for the standing orders to be reviewed in conjunction with the review of a committee's effectiveness so that any amendments as a result of the review can be reflected in the standing orders and recommended to the Council for approval.

Some minor changes to the standing orders have been marked up on the attached document, recognising that there may be further changes recommended as a result of the review of the effectiveness of the People and Resources Committee (PRC) taking place earlier in the meeting.

Previous consideration	The standing orders were last reviewed and amended by the Council in February 2022.
Decision	The Committee is asked to consider the proposed amendments and propose any further changes to the standing orders for recommendation to the Council.
Next steps	Changes to the standing orders would be considered by the Council at its meeting on 20 March 2024.
Strategic priority	Build a resilient, healthy, capable and sustainable organisation.
Financial and resource implications	None identified.
EDI impact and Welsh Language Standards	None identified
