Executive Summary and Recommendations

Introduction

At its meetings on 12th October 2005, 24th January 2006 and 7th March 2006, the PLG considered a variety of evidence about the standards. The following 'reference papers' are appended:

- (i) Registration Assessors' questionnaires (24th January 2006)
- (ii) Visitors' questionnaires (7th March 2006)
- (iii) Professional bodies questionnaires (7th March 2006; updated with submissions received from the British Chiropractic and Podiatry Association and the British Association of Prosthetists and Orthotists)
- (iv) Summary of feedback (7th March 2006)

Decision

The PLG is invited to note the attached papers. No decision is required.
