

Executive Summary and Recommendations

Introduction

The Education and Training Committee had requested a statement detailing the criteria on which the Registration Committee had based its approval of the tests to be used in determining an applicant's English Language Competence.

Decision

The Committee is asked to consider and agree the statement as detailed.

Background information

The Registration Committee had approved the use of various tests that could be applied to demonstrate an applicant's English Language competence. The Education and Training Committee sought clarification of the criteria on which approval of the tests had been based.
